Friday Evening, Oct., 26th, at Chapel Hall, there will be a meeting of those who have subscribed to the series of lectures, to be delivered in Plymouth this winter, by Professors from the Chicago University, of which Dr. Wm. R Harper is President. All persons interested are invited to attend, whether they have signed the subscription papers or not. not afford to miss it. A sufficient number of subscribers has been secured and the course is an assured success. This meeting is for organization and to select the subjects to be presented in the

A safety bicycle belonging to Louis Sult, the barber, was stolen about 9:30, Tuesday evening. Mr. Sult left his bicycle outside of Moshier's store, on La Porte Street. It was a Smalley wheel, No. 22055. It would seem that bicycle stealing is becoming more common, hardly a week passes that the police of this and other cities do not receive notification of some missing wheel in this part of the state. This is the first theft of the kind in Plymouth, and bicyclists would do well to take the precaution of securely locking their wheels when they leave them on public

thoroughfares. The Liberal Medical Association, of Northern Indiana, was organized at Rochester the 25th inst, with the following officers, president, Dr. J. D. Me-Cann, of White county: 1st vice- president, Dr. A. W. Vincent, Poater county; 2d vice-president, Dr. M. G. Yocum, Kosciusko county; secretary, Dr. William Jackson, Marshall county: treasurer, F. G. Ketchum. This associatiou is composed of the northern tier of counties, and the first meeting will be held in Plymouth in December. The society is Eclectic in principle but all graduates from reputable medical col-

leges are elligible to membership.

A large amount of cord wood is being brought to town daily. Farmers have long since demonstrated that they can make money by selling wood that they formerly would have used to build fences, and erecting wire fences instead. Many of them now are using a plain fence of nine or ten wires in preference to barbed wire. A plain wire fence is durable and lasting; costs less than barbed wire and when of sufficient with the bottom wires close together makes a good fence for sheep and hogs, The P.
